

KUWAIT ADVANCED TECHNOLOGY CO. W.L.L

EST: 1979

YOUR ONE-STOP SHOP FOR

Control Cables • Coaxial Cables • Network Cables •
Irrigation Cables • Fiber-Optic Cables • Fire Alarm Cables •
Fire Resistant Cables • Building Automation Cables •
Public Address Cables • Satellite Cables • Wireless
Devices • Smart Technologies • IoT Products • Accessories

FROM TOP BRANDS YOU CAN TRUST

OUR LOCATION

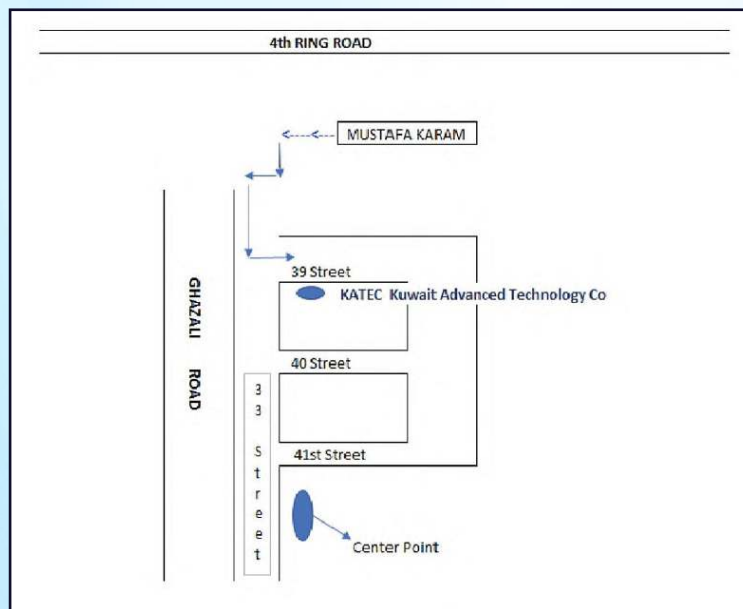

Our office is in Al Rai, and our warehouses measuring 20,000 square feet are in Al Rai and Subhan Industrial Areas, Kuwait.

ADDRESS

Kuwait Advanced Technology Co.W.L.L
Building # 138, Street # 33 / 39

Block # 1, Al Rai Inds Area.
P.O Box 26058, Safat 13121

Kuwait Advanced Technology (KATEC) provides a wide range of network solutions including cables, accessories, and wireless devices. From the beginning, it's been our goal to offer high-quality products directly from our own stock at fair prices and with a minimum delivery period. We make it a point to provide the very best products to our clients, whether you need structured cables, wireless components, wiring accessories or IoT products.

HISTORY

After establishing KATEC in 1979, we became the agents for Reuters in Kuwait, working to supply and maintain their systems within ministries, banks and all money exchange firms. During this time, we were also the agents for Permanoid Cables, Fullmark and Krone Connectors and AMP tools.

Now we are agents and exclusive distributors of many top manufacturers in Kuwait. We supply low voltage cables, network accessories, passive and active network devices, and measurement tools. We can also deliver complete network services and solutions for Internal network success.

MANUFACTURERS

Today, we sell cables and accessories, wireless and IoT products from top branded manufacturers in US and Western Europe, including:

**PERMANOID LTD,
England**

They manufacture instrumentation and control cables to BS 5308, Coaxial cables to MIL-C-17 and URM Standards, Multi core cables to Def. Standard, Multi pair cables for Data transfer and Telecommunication applications, Speaker and Microphone cables. They are KOC, PIC & KNPC approved cables.

**REEMEE WIRES,
USA**

Remees Wires manufactures all types of low voltage cables to American standards. Their shielded and unshielded cables are used in Kuwait for Building Automation Systems (BMS), Fire Alarm systems and Public Addressing (PA) systems. They also manufacture Satellite, CCTV Coaxial cables, Fiber Optic cables, Data & SIAMESE cables, Armored duct cables and Low Smoke Zero Halogen cables (LSZH).

QUBIX, Italy

Qubix manufactures Network fiber optic cables & wireless devices. Their product range includes Enhanced Category 5 (Cat 5E), Category 6 UTP & FTP, CAT 6A, CAT7 Low Smoke Halogen cables. They manufacture Passive and Active Network accessories and devices.

**TAPPAN Wire &
Cables, USA**

TAPPAN manufactures and stocks Low voltage cables as per UL standards. We mainly stock their Fire Alarm and Cables for Building Automation and Public Addressing.

CEAM CAVI, Italy

CEAM manufactures Coaxial cables, Screened and Unscreened Multi core cables, Overall and Individually foil shielded data transmission cables, Instrumentation cables and control cables.

**DONCASTER
CABLES, England**

Doncaster Cables manufactures Instrumentation and control cables & flexible cables, as per British Standards. They manufacture Fire resistant cables "FIRESURE" to BS 6387. They are KFSD (Kuwait Fire & Safety Dept) & KOC approved cables.

**HELUKABEL,
Germany**

Helukabel manufactures a wide variety of Low voltage cables. Their product range includes Single and Multicore Flexible cables, Instrumentation and Control cables, Screened and Unscreened Cores and pair cables, Bus cables and Special cables.

We are dealers for Connectix, UK, Austin Taylor, USA, Wilshire and Quick, and Cooper B-Line for network accessories.

CABLES & ACCESSORIES WE SUPPLY

We specialize in low voltage cables for the Kuwait market and have KFSD (Kuwait Fire Safety Department) approved cables. The types of cables we stock are:

- Building Automation Cables (BMS) - sizes ranging from 22 to 12 AWG in various number of pairs, shielded or unshielded
- Fire Alarm and Signaling Cables - sizes ranging from 18 to 12 AWG in various numbers of cores, shielded or unshielded
- Instrumentation and Control Cables - BS 5308 (PAS 5308) Standards
- Fire-resistant and Flame Retardant Cables - BS 6387, IEC 331, IEC 332 Standards (KFSD approved). Category C, W & Z in sizes 18 to 12 AWG in various numbers of cores.
- Audio and Public Address Cables: Speakers and Microphone cables in white or red jacket. Sizes ranging from 18 to 12 AWG
- Coaxial Cables for Satellite and CCTV - RG 59, RG 11, RG 6
- RG213, URM 57
- Fiber optic cables - Indoor & Outdoor (Single & Multimode) OM3, OM4, OM5, OS1 / OS2 Standards - Direct burial.
2, 4, 6, 8 & 12 core, Armored & tight buffered internal & external
- Plenum and Riser Cables
- Belden and Paige equivalent cables
- Data and Communication Cables (LAN) - CAT5E, CAT 6, CAT 6A, CAT 7 (STP and UTP), Patch cord & Patch panels, RS 485 applications cable.

We can also manufacture and deliver customized cables as per your specific requirements.

CABLE ACCESSORIES, WIRELESS & IOT PRODUCTS

WE SUPPLY

In addition to a wide variety of low voltage cables, we also provide Indoor and Outdoor wireless devices, connectors, racks, pre-terminated jumpers, video surveillance devices and other accessories used in home, office and industrial automation purposes including:

- Data Centre Wall Mounting & Free-Standing Cabinets and Racks of different sizes such as 6U, 9U, 12U, 15U, 22U, 27U, 42U, etc.
- All types of Rack Accessories such as shelves, KVM Console, Cable management, PDU, castors, etc.
- BNC Connectors and Terminators
- Cable Sheaths and Plugs
- Face Plates (Single/ Dual / Tri/Quad)
- Patch Panels (Copper / Fibre- 24/ 48 / 64 slot) for Cat 5E, Cat 6, Cat 6A, Cat 7 cables
- Fibre Pigtails and Patch cords / plugs, Glue connectors, Compasses.
- Telephone Patch Panels
- Pre terminated Fibre Optic Cables, Splitter, Termination kit, Cable Assemblies for ST/ SC/ LC
- LAN Switches / Wireless LAN
- Power Over Ethernet / Industrial Ethernet
- Media Conversion / Broadband Communication
- Communication IP Telephony / IP Surveillance
- Network security / Network Peripheral / Network Management
- Home / Office / Industrial Automation
- Easy Crimp Plugs and Compact system for Copper and Fibre cables
- Modular Crimping and Insertion Tools
- Measurement tools for copper and fibre networks

OUR MAJOR CLIENTS

KATEC supplies cables, wireless and IoT products for almost all data communication, electro-mechanical, air conditioning, security, and building automation systems for the following reputed contractors, oil companies, ministries and to the retail markets in Kuwait:

- The National Company (Kharafi National)
- Bader al Mulla and Bros. Co.
- Gulf Engineering Co.
- Kazema Engineering
- Sayed Hamid Behhehani
- Group 4 Al Zahem
- Al Kulaib International
- Yusuf Ahmed Alghanim
- UGCC
- Honeywell
- Siemens
- KOC (Kuwait Oil Company)
- KNPC (Kuwait National Petroleum Company)
- PIC (Petrochemical Industries Company)
- Kuwait University
- Amiri Diwan
- And more
